

Glo Brite[®] fire signs provide immediate visibility in sudden blackout situations.

STOP, DROP, AND GLOW

Smoke is spreading and you have to act now. It's all about locating the safety equipment you need. Photoluminescent Glo Brite[®] Safety Signs absorb and store ambient light. In the case of an emergency blackout or smoky conditions, these reliable safety signs are immediately visible clearly marking safety equipment and fire exits, and reducing the risk of panic.

Label storage cabinets in which flammable liquids are kept, where reels or cabinet are used to contain fire hose, or when portable fire extinguishers are provided.
