

Stay in compliance
by keeping your
employees warned of
hazardous materials.

CAL PROP 65, ASBESTOS, LEAD
AND MOLD

**DANGER MOLD REMEDIATION
AUTHORIZED PERSONNEL ONLY**

Asbestos, lead, mold, and other toxic substances are very real hazards that threaten your employees' health and well-being. Areas containing these hazardous materials must be clearly identified at all approaches so that employees know to take the necessary protective steps before entering. By posting Toxic Substance Identification from NMC, you help protect your employee's most important asset: their health.
