

IMO SIGNS

Stay in ship shape with IMO signs.

MEETS INTERNATIONAL
MARITIME ORGANIZATION
STANDARDS

IMO signs identify escape routes, fire control plans and emergency equipment on maritime vessels. These signs comply with strict International Maritime Organization regulations, which promotes the safety and security of international shipping vessels. National Marker's IMO sign provide clear and internationally recognized visual cues and pictorials to convey important messages when emergency services can be hours and many miles away.

IMO signs glow for more than 6 hours in total darkness illuminating fire control equipment as well as escape routes in low light conditions.
