

# Save the planet and your wallet with our **GOING GREEN** products.

Educating employees is one of the cornerstones to any company "green" effort. Reinforce key green practices with daily reminders on how employees can help the environment and save the company money at the same time. From the office and copy and print areas to the manufacturing area and the warehouse, NMC has products supporting going green efforts for the entire building.

## Products

- Tri-View™ Signs
- Green@Work™ Signs
- Hard Hat Emblems
- Going Green Signs
- Recycle Stickers
- Eco Exit™ Signs

Our Green@Work™ signs are made from 75% post consumer plastic, rescuing milk jugs and other non-earth friendly materials and turning them into signs!
