NMC INTRODUCES ITS NEW UDO LP 400 LABEL MACHINE

SLATERSVILLE, RI – National Marker Company (NMC), a manufacturer of safety identification products, introduces its new UDO LP 400 Label Pro Machine. This new label machine provides a means for anyone to create his/her own custom signs, tags and labels.

The UDO LP 400 Label Professional is a desktop printer that lets you produce your own signs, tags and labels with a simple push of a button. The UDO LP 400 includes a multi-user software package featuring over 1,400 health, safety, information and industrial symbols, 35 built-in bar code languages and a sequential numbering facility.

The UDO LP 400 comes complete with multi-user software package, USB & Parallel Cables, Power Supply, Thermal Cleaning Pen, UDO LP 400 Starter Kit (A \$295. Value) and a one year warranty.

Product Applications:

- Labels
- Signs
- Pipe Markers
- Safety Signs
- Bar Codes
- Nameplates
- Asset ID
- Hard Hat Emblems
- Schematics
- Sequentially numbered labels

Product Features:

- Multi-User Software Package
- Industrial graphics gallery of over 1,400 health, safety and industrial symbols
- Fast output – prints 1-4 inches per second
- Roll-Back Cutter – Minimizes waste
- Compact – Doesn't require a lot of work area space
- User-friendly – Features 2 buttons "On/Off" & "Feed"

For more information about the UDO LP 400 Label Machine, including available accessories, software and label materials, contact National Marker Company or visit us at nationalmarker.com.
